June Quilter of the Month:

Jane Darlow

Thank you:

A big thanks is extended to Marilyn Maki, our quilter of the month for May. She showed us many samples of her exquisite quilts and wallhangings, nearly all hand stitched and she shared with us her life story of sewing and quilting. She truly lives her philosophy... if it's worth doing, it's worth doing well. Thanks for giving us so many wow moments, Marilyn.

Appliqué Club

Sandy Marshall

Thank you to all the Applique Club Members who came out and shared all their wonderful projects and knowledge. We have had such a fun time this year.

Next year will be even better. We will have a single large block and add elements each month along with trying out all the new techniques that have come along in the applique world.

The background block will be large. It can be either light or dark. The design will be floral so you can get all your

favourite floral colours sorted over the summer and have them ready for September. I will be e-mailing/phoning our regular members with more specific information. If you are interested, send me an e-mail and I will add you to the list and send you a supplies list.

All Guild Members are welcome to drop in and visit and check out what we are doing. You may even want to participate in some of our activities.

The Applique Club meets Upstairs at Romes, on the first Wednesday of the month from 10 a.m. until 3 p.m. The first meeting will be Sept 4, 2013.

A huge Thank You to Stitches From The Heart Quilt Guild who provide us with the opportunity to develop our art.

Sand

Submitted by Kathy McColeman

The recipe for Sand is quite simple. You may have had or made Dirt before, so I made it blond.

Use 2 cups of vanilla pudding (instant, cooked from a mix, or homemade). I had some you cook from a mix, so I made it. After the pudding is cool, fold in an 8 oz container of Cool Whip (or generic brand). Crush a 16 oz package of vanilla sandwich cookies. Stir in 3/4 of it. Pour into a sand pail. Sprinkle remaining cookie

crumbs on top to make it look like sand. Decorate with edible sea creatures or something you take to the beach. Serve with a sand shovel. If you serve it soon after you make it, it will have more of a sand texture throughout. Since I made it the night before, it got pretty smooth.

To make Dirt, use chocolate pudding and chocolate sandwich cookies instead. Decorate with gummy worms or bugs
